Greetings to the Good Folk of Naevehjem!

Well, the Christmas Season is finished, Winter hibernation is almost over, and by the time anyone reads this it will be February. Everyone is doubtless ready to wake up from their winter rest and begin the year. I see that Caid begins the season early with Chivalry Tourney (Nordwache), Festival of the Rose/Cast Iron Chef (Lyondemere), Talon Crescent Festival (Starkhafn), Spring Crown (Altavia), and of course Estrella War. That is only for February! And then there is Pentathlon, March to the See and Practicum of the Sword this March!

As I write this, I am still waiting for Baroness Amicia to return from her diplomatic mission to the Court of Their Royal Majesties ThorvaldR and Tofa, King and Queen of Drachenwald. For Her Majesty Eilidh charged Baroness Amicia to bear a gift and greetings in her name to their 12th Night and Coronation, saying *"We so send an emmissary this day to celebrate the festivities surrounding Your Coronation. We charge her to deliver Our heartiest Congratulations upon this momentous occasion. May all Good Fortune attend You and Your Populace throughout the New Year."*

Bridget Lucia MacKenzie constructed the presentation (see photo). Airport security was greatly entertained to see a coronet in Amicia's luggage. And as an incidental side trip, Amicia got to do a bit of sight-seeing. I am certain that Baroness Amicia will be able to report something on her mission in our next newsletter (*hint*).

The January business meeting was fairly short and simple this January, as several regular attendees were out of town and/or on vacation. So please mark the February meeting on your calendar. There will be plenty of opportunity to discuss things the Barony has done, is doing and is going to do in 2013. For example, you may have noticed the newsletter is under new management (thank you, Greyland). And we should have time at the next meeting to discuss March to the See (thank you Mistress Katherine), Pentathlon (good for Baroness Belinda!), the potential for a summer picnic event, and perhaps a distant look towards the next Frostdragon.

In Service to the Dream and to Naevehjem,

Baroness Amicia Sennet de Bruges

Baron Rudolf Fekter
